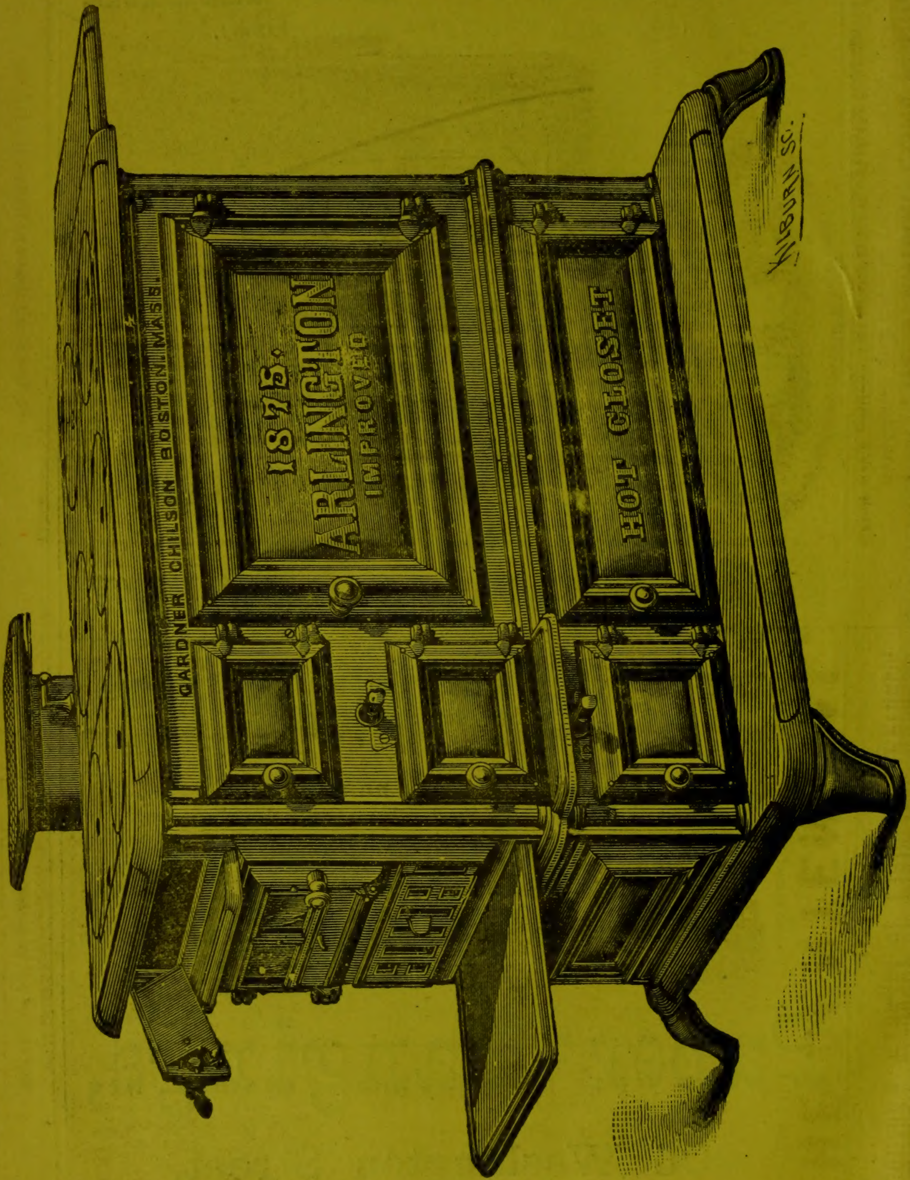
JOHN H. ROBINSON. CHARLES H. WHITMARSH. CHARLES W. ROBINSON,

THE ARLINGTON,

CHILSON'S ENTIRELY NEW AND GREATLY IMPROVED PORTABLE RANGE, 1877.

I desire to call special attention of every housekeeper in want, or who ever expect to want a STRICTLY FIRST-CLASS RANGE, to the great improvements over my old pattern Range, in *broiling, heating water, anti-clinker grate, nickel-plated trimmings, towel dryer, four extra shelves,* and extra heavy, fine, smooth castings, of rich and beautiful design, no place for dirt, rust or grease to lodge to keep women scrubbing, but always a clean, surface. This beautiful range has no equal in this country. This will be proved on examination and trial.



I also desire to call the attention of gentlemen, in want of the most substantial and beautiful range for brick setting ever put up in any kitchen, to my **ARLINGTON BRICK RANGE,** which is acknowledged by all to be the most splendid piece of work, for a range, ever got up. Also the ***Chilson Brick Set Range*** that has acquired such a high reputation in the use of over ten thousand ranges, in giving the most perfect satisfaction. This range comes at less price than the Arlington, and is within the reach of all. A full line of Furnaces, Ranges, Stoves, etc., at the lowest market prices. Special attention given to putting up furnaces and ranges in any part of the country. Nothing but what is strictly first-class work is manufactured by me.

INTRODUCTORY.

The Cambridge Directory for 1878 has been prepared with the utmost care, and we feel confident it will give satisfaction to the large number of individuals who have occasion to refer to its pages.

The business men of Cambridge have always taken much interest to have the Directory issued in a manner creditable to themselves and the city, but since the depression in business the patronage has not kept pace with the expense of publishing, therefore we are compelled to remind many of the business men of Cambridge, who have not patronized us, that in order to keep up the standard of the Directory, they must favor us with their cards for insertion in our pages.

A new map of Cambridge, with each ward beautifully colored, has been prepared for the Directory this year at considerable expense, and we hope our patrons will appreciate our endeavors to please them in this respect. Single copies of the map can be found on sale, in covers for pocket use, at C. W. Sever's and Edgar F. Hunt & Co.'s bookstores.

Respectfully,
GREENOUGH & CO.,

EUREKA SALVE!

PURELY VEGETABLE.

This remarkable cleansing and healing agent having been used by the discoverer and his family, employes, friends, and neighbors for many years, in numberless cases, with the most satisfactory results, we feel the utmost confidence in offering it to the public, (which we do by the earnest solicitations of those who have used it), for the immediate **Relief and Permanent Cure** of BURNS, SCALDS, BRUISES, CUTS, **CATARRH,** FELONS, CORNS, FROZEN HANDS AND FEET, CHILBLAINS, OLD SORES, SORE THROATS, DIPTHERIA, PILES, BAD COLDS IN THE HEAD, RHEUMATIC AND NEURALGIC PAINS; also, PAINS IN THE BACK, SIDE, AND BREAST, NUMBNESS OF LIMBS, COLD FEET, CHAPPED HANDS, SORE EYES, VARICOSE VEINS, SORE LIPS, AND ULCERS. It produces circulation, and prevents and removes inflammation, and stagnation of fluids, and maturation in sores, which is the cause of pain and soreness; and also prevents mortification from setting in, if applied in season, used freely, and renewed often.

INSTRUCTION TO KEY HOLDERS.

Alarms are to be given from the box nearest the location of the fire.

To give an alarm, open the door, pull the hook to the bottom of the slot once, and let go.

Each box contains a small bell, which, if heard before you pull, indicates that the alarm has been previously given. Any person listening at a box will learn the number of the box from which the alarm was given. For instance: if an alarm proceeds from box 36, the bells and gongs attached will strike three, then after a short pause six consecutive blows, thus: III—IIIIII.

Don't give an alarm for a fire seen at a distance, unless assistance is called for.

Citizens are earnestly requested to inform themselves where keys to the signal boxes are kept; signs, suitably inscribed, being placed over each box, giving the requisite information.

SAVE THE BABIES.

Give them Genuine MILK.

The undersigned announces to the people of CAMBRIDGE that he is now prepared to furnish them with

PURE MILK,

having as fine a herd of COWS as can be found in the country, purchased from the celebrated stock farm of C. H. Tilton, Esq., of Ashland. The animals are of the AYRSHIRE, DUTCH and JERSEY breeds, some of them imported, and are all fat, sleek, healthy animals, selected for the RARE QUALITY of their MILK. The feed used is meal and hay exclusively, and great care is taken to protect the milk from all deleterious substances.

The MILK will be DELIVERED about the city, morning and night, in ONE HOUR after milking. It will be left in BRIGHT, CLEAN CANS, with the customer's NAME on each can.

Parties having SMALL CHILDREN can have ONE COW'S MILK if they desire. No mistake will be made, and every drop will be WARRANTED STRICTLY PURE. The price will be

8 Cents per Quart.

Trusting that the public will be pleased to encourage a business which more than any other needs to be conducted "squarely," I respectfully solicit your orders.
